Killed at Ypres

Lieut. Douglas Chalmers McColl, Brother to M. A. McColl

Mr. M. A. McColl on Saturday received word from his mother, of the death of his brother, at the front, in the recent heavy fighting at Ypres. Lieut. Douglas Chalmers McColl, belonged to the 10th Canadian Battalion. He was born in Maxwell, Ont., moving to Ottawa when very young and coming west eight years ago, located in the Colborne district, about 70 miles north of Brooks, Alberta.

For some years he has been connected with the 21st Alberta Hussars, Medicine Hat. When war was declared he offered himself for foreign service and was attached to the 103rd Calgary Rifles, which afterwards became a part of the 10th Battalion on reaching Valenciennes, Belgium. He was a South African veteran, having served three years with the South African contingent. His mother, Mrs. A. McColl, resides at 675 Gilmour street, Ottawa, Ont. Mr. J. A. McColl, M.L.A. for Acadia and M. A. McColl, jeweller, of Empress, are brothers. The sympathy of the entire neighborhood is extended to Mr. M. A. McColl and family in their loss.

AN EXCITING RACE

Two business men of Empress took part in a very exciting auto race from Empress to Selkirk, Ont. on Friday night last. For the best time, the race was held in the vicinity of Ypres. Two cars, driven by Messrs. Spurling and Higgins, were the steeds. The car driven by Mr. Spurling started at 11:30 p.m., while the car driven by Mr. Higgins left at 12 p.m. Mr. Higgins' car was lightly loaded and succeeded in overtaking Mr. Spurling's car about 20 miles from town, arriving in Medicine Hat one hour ahead, completing the journey in about three hours and thirty minutes, besides changing a tire. The car driven by Mr. Spurling carried four passengers, while the car driven by Mr. Higgins carried two. We understand the passengers have not yet fully recovered from the effects of the ride.

Empress Agricultural Society

A meeting of the Empress Agricultural Society was held Saturday, May 1st. President Wilson occupied the chair, and Directors, Pearce, McDonald, Campbell, Gregg, Barrie, Curran and Cusack were present. Minutes of previous meeting were read and passed. Pearce-Campbell—that D. A. McDonald be appointed director in place of A. S. Skilman, who is away. Carried. McDonald—Pearce—that a general meeting of the society be held on the first Saturday in July, for the purpose of deciding whether to hold a fall exhibition or not. Carried. Campbell—Curran—that Messrs. Wilson, Insley, Barrie, McDonald and Pearce be a committee to arrange for a "Stranding Grain Competition." Carried. Pearce—McDonald—that the Secretary be instructed to write the Supt. of Pairs and Institutes and arrange to hold three or four Institute meetings in various school houses in district, same to be held if possible during summer. Carried. Pearce—Campbell—that we adjourn. Carried.

Rev. Father Russell, who is well-known to both town and country people, has been given charge of a parish in New York.

Stick to It! Says Sir

Thos. Shaughnessy

Sir Thomas Shaughnessy, Pres. of the C.P.R., Field-Marshal of the army of progress in Canada, passed through Empress on Sunday morning last. Sir Thomas was accompanied by Lady and Miss Shaughnessy, also Grant Hall, the first Vice-President; A. H. Stevens, Gen. Supt., and several other officials of the road. Starting from Bassano at 8 a.m. the party arrived at Empress at 11:45 and were expecting to make Swift Current at 1:50. The train consisted of seven private cars of the officials, which were drawn by engine 2988, in charge of driver Blandin; with Mr. E. McCombe as conductor.

Many of the officials were aware that the President and his party would be through Empress, or a larger crowd would have been present on the occasion. Speaking to F. H. Pearce, President of the Board of Trade, Sir Thomas said he left this message for the residents of Empress, "Stick to it, things will come alright again." He expressed regret of being unable to make a stop-over here as train was scheduled for a fast run, but he expressed the best of faith in Empress.

There's no use, Judd, you'll just have to explain about that new car, no, it isn't a Ford, it is of friction drive. Guess it is of the McLaughlin type. Anyway, it's a dandy. We hope she will like it.

Leave it to the mosquito to show the Warlord's tactics they have never dreamed of. He is here with full force. Would that he had a full stomach also, (if mosquitoes have stomachs).

We would like to say something about that wind, but words might fail us. Apologies to Walt Mason, however, we will say that the wind went through the clouds cleared away, and again we have a perfect day. But this "virgin soil" will still remain just "virgin soil," if we don't get rain.

The following officers were elected for the ensuing year at the Sunday School, on Sunday May 3rd: Superintendent, E. C. Rodgers; Sec.-treas., Herbert Denmore; Teacher, adult class, B. G. Sarvie; Assistant teacher, Mrs. A. L. Insley; Teacher, intermediate class, Miss Olive Sarvie; Usher, Golden Sarvie. The Supt. announced that Rev. J. M. Wazgett, of Empress, has promised to preach here next Sunday, May 9th. This indeed, was a welcome announcement.

Away back in the early days a post office was applied for by Mr. T. E. Ruidt, to be known officially as "Ruddington." It seems that the Govt. officials were as slow as "Dumkies" in regard to this matter, which is no exception, but we are able to report that the office is now established, and will be in charge of Mr. T. C. Rodgers, west 15-21-2. It will be open for business in the near future.

Mrs. O. Pearce and daughter Miller arrived home last week from Washington, U.S., where they have been spending the winter visiting friends and relations.

Negligence on Part of Ferryman and Ferry Structurally Defective, says Jury

The inquest on the deaths by drowning of Anne May Barber and Gladys Almeida Barber was held in the barracks of the R.N.W.M.P. on Friday, April 24th. The accident occurred at the Red Deer river, two miles west of Empress, as the result of the wagon in which Mrs. Barber and her daughter were travelling, backing off the ferry into the river.

The jury was composed of Messrs. Brown (foreman), Mundell, Higgins, McIntyre, Campbell and Pearce. Dr. J. C. Eager acted as Coroner. Seven witnesses were called, and evidence was elicited showing that the apron of the ferry broke from the weight of the wagon; that no ropes or chains had been stretched across the front or rear end of the ferry; also that the rowboat did not accompany the ferry on her trips across the river that day; also that all instructions were given by the department to the ferryman verbally and were not used in printed or written form. After considerable deliberation by the jury the following verdict was returned: "We find that Annie May Barber and Gladys Almeida Barber met their death by drowning as the result of an accident while crossing the Red Deer river, by the ferry, two miles west of Empress, Alberta, on Thursday, April 27, 1915. We find negligence on the part of the ferryman in that the rowboat did not accompany the ferry. We find that the ferry was structurally defective in not having chains to enclose the ends, and that the aprons were not strong enough. We would recommend that the ferryman receive more explicit instructions as to his duties of operating the ferry."

I am Saving Money in Other Ways

Do you insure your home against fire? Why do you not save your fire insurance premiums? This is the reason. Because one building in twelve hundred and sixteen burns down and you are afraid that yours may be that one. But for every life there is a death. And don't forget this: If your house burns you can still make money and build another; but if you die nothing can ever replace your money making ability, except LIFE INSURANCE. Fire insurance, therefore, is a matter of choice; Life Insurance of necessity. Take this matter over with me.

Good Roads Get Attention

Many Experts Give Advice at Con-
vention Attended by 2,500
Delegates

The second Canadian and Inter-
national Good Roads Convention was
held at Toronto recently. About 2,500
delegates were in attendance from
all parts of Canada and from the United
States.

George C. Diehl, engineer, Erie
County, N. Y., presided at the con-
vention. He outlined the work on the
roads in the United States, pointing out
that there are 16 kinds of roads in the
state. This is necessary, he said, be-
cause different kinds of traffic call
for different kinds of roads.

He thought the provinces could not
do better than follow the example of
his state in the building of its good
roads by joint action. He pointed out
the idea that under the system the
work was done before the bonds had
matured. He held that half of the
work done was of a permanent kind
and provided the state had a perman-
ent maintenance fund then the work
of good roads carried out throughout the
state.

"The cities in every province or
county should be taxed for their
maintenance," said Mr. Diehl. "They
get so much benefit from the good
roads as the farmers, it is pointed out
that they should be taxed for their
maintenance. If good roads are for
the benefit of the farmer, the people of
the cities will benefit through better
markets for the farmer, getting the
goods to market. He said the way to
build a good road is to build a good
road, but to start at the market end
of the province."

on "Wearing Surfaces," showing
the necessity of wearing surfaces on
highways. He said that the wearing

First station in the Straits to be es-
tablished. This year
At a recent sitting of the house of
assembly there was a discussion of
the proposed wireless station at
Singapore. The minister said that
the coming session the first wireless
station will be placed on the island.
This station will be able to commu-
nicate with the wireless station at
Singapore and the Straits.

It seems to be in order to
keep in touch with the wireless
there should be more than one wire-
less station on the island. The min-
ister agreed. He also stated that
Singapore has already been placed
in the Straits.

Mr. Sharpe of Limerick said the report
was discouraging. He said he had

LOCAL AND GENERAL

Mr. J. R. McCredie arrived in town on Wednesday.

Arbor Day next Friday, May 14th.

Mr. W. M. Galbraith, Winnipeg, was in town for a few days this week.

Remember July 1st is the date of the Empress Celebration.

Mr. L. W. Pullen, son of Wm. Pullen, arrived in town the early part of last week.

Wanted, girl for general housework.—Apply Mrs. Wm. Engelbrecht.

Mr. J. H. Chesser, claims agent C.P.R., Calgary, was a visitor to Empress on Monday.

Tuesday afternoon, May 11, has been declared a half-holiday in the Village by the Rev. A. A. baseball match, the match of the town will start at 3 p.m., a football match will be played after supper.

Union Church, Sunday next: Mother's Day, Special music and address. Solo, duet, and other numbers. All invited, 7:30 p.m., Grand Theatre.

Mr. B. H. Pruck and wife, who own land east of Empress, were visitors to town the first of the week, for the purpose of looking over their property.

Mr. E. L. Becker, who is in the garage business at Medicine Hat, was a visitor to Empress the first of the week. He spoke very favorably of the future of the town.

Mr. Watson, manager of the Swift Current Grocery Co., Ltd., was a business visitor to town, arriving on Wednesday's train. He, along with Mr. Andrews, left for Estuary on Thursday. Mr. Watson is quite optimistic as regards the future of Empress. He also stated the outlook for a good crop was very favorable.

Mr. Peter Miller, from Drumheiler, was a visitor by Wednesday's train and left the same day on the return trip. Mr. Miller is interested in coal mining, and any person knowing of any likely workable coal indications, if they would kindly call and leave the information with the editor of this paper, their action in this respect will be greatly appreciated.

See the U.F.A. ad. this week.

Mr. Wm. Barber, of Vandyne, returned on Wednesday.

Mr. Wm. Pullen has been indisposed these past few days.

Come and see the BO-PEEP drill acted at the Scout's Concert, by twelve girls.

Mr. John Templeton was a visitor to town the first of the week. He reports crops looking prosperous in his district.

Cattle wanted to herd. Good grass and water, plenty of it. \$2.00 per season.—John Templeton, Empress P.O.

Mr. A. E. Galloway, left town on Wednesday for Calgary. He will be accompanied by his wife on his return to Elphinstown.

Everybody are desired to come and see the Scouts Contest, held May 18th. A grand concert will immediately follow, and a big night is assured. Prices will be low to encourage a full house.

Mr. A. Vandevale returned from Stockert, Montana, on Monday night, May 3rd. Mr. Vandevale says that he is glad to get back to God's Country.

He is more than pleased with the prospects here. He expects to make use of the spring on his land for irrigating purposes and so produce a good-sized truck garden. Mr. Vandevale was ten days on the road from Coufite, Alta., with horse and buggy, and came in happy and hardy.

Corporal F. Corby, accompanied by his wife, left on Thursday morning's train for North Portal, Sask. The departure of Corporal Corby and his wife will be much regretted by the citizens of town and general public. The Corporal, in his leisure time, was a good entertainer, and always to the fore in any of the local entertainments. Owing to his wife's health, however, it was necessary for the Corporal to move to an older settled country. We trust that Mrs. Corby's health will speedily mend and we wish them every success in their new home.

Mr. Wm. Switzer, Inspector of Homesteads, Medicine Hat, was an Empress visitor Tuesday.

Mr. Wm. Steer, of Westward, was an Empress visitor this week.

The Board of Trade will hold a dance in the Empress Hotel on Arbor Day, May 14th. The use of the hotel has been donated for this occasion.

Messrs. H. F. Marshall, Calgary, W. J. McLean, Medicine Hat, and C. F. Jamieson, late editor of the "Times," Medicine Hat, were Empress visitors on Tuesday of this week.

Mr. A. J. Wright is this week making several alterations to his residence, which should make a vast improvement in the appearance, visting with the best residences in town.

St. Mary's Anglican Church services for Sunday, 9th May, 10:30, Litany and Holy Communion; 7:30, Evensong. Rev. R. E. Lindsay, head of Railway Mission, Regina, will officiate.

Word has been received by Mr. G. L. Brown from his wife which, we are pleased to report is very encouraging, and gives promise of an earlier return to Empress.

Through the timidity of our reporter failing to interview the Rev. Dr. McDougall, who was a visitor from Calgary on Wednesday's train, we were unable to produce some interesting facts, but since we put our reporter through the third degree, he has promised to furnish what is requisite or go to the firing line at Ypres.

Corporal H. Moorhead, R.N.W.M.P., of Coalhurst, near Lethbridge, arrived in town on Monday. He relieves Corporal Corby of the Empress detachment. Corporal Moorhead has had much experience in R.N.W. mounted police work, and will have completed five years with the force this coming August. He was successful in capturing two of the men who were wanted, in the famous Amisk murder case.

Mr. A. G. Shaver, from Kingston, Ont., arrived in town on the 30th ult., and left on Wednesday's train for Idleburg, hence by auto to Raily Hills, where he is engaged as teacher for the summer months. Mr. Shaver stated that conditions in the east in regard to the unemployed were similar to the west, and will continue so until on Wednesday last, but think the water a trifle cold for bathing as yet.

Mr. Geo. A. Robson and Mrs. A. Krollier called on Miss Edith Insley in her mansion of knowledge last week for report all the scholars progressing most favorably.

The funeral arrangements in connection with the shipping of the bodies of Annie May Barber and her daughter, east, were performed by Messrs. Pullen & Galloway, and although the bodies were badly discoloured, the embalming process was so perfect that one would not have supposed that they were in more than a natural sleep, this reflecting very great credit upon the ability of Messrs. Pullen & Galloway, as embalmers.

The bodies were placed in separate caskets; that of the mother in a black casket with white silk trimmings, and the little girl in a small white plush casket. At 6:30 on Saturday morning, May 1st, the caskets were placed in a splendid open glass hearse, drawn by a pair of spirited black horses, to the railway station. Rev. Barber, the bereaved husband and father, accompanied the bodies east. The arrangements as carried out are a distinct credit to Messrs. Pullen & Galloway, who are new arrivals in town.

LEADERS FROM LELAND (continued from front page) hoped that Range 4 will suffer a defeat or two before the summer is over.

Mr. J. C. Insley began work with his drilling machine this week. He expects to go down over 200 feet, before striking Adam's ale. Still some of his neighbors claim they would help him to go twice that far if there were any prospects of striking anything of the nature of ale.

Mr. Dave Mack paid his usual weekly visits to his intimate friends in the immediate neighborhood last week. Dave sticks to the old adage, it works or business interferes with pleasure let the work go.

Mr. J. D. Rogers again journeyed west as the sun was setting, one evening last week. However, as Dryden has nearly as many hold-outs over there as Jess James had in Kentucky, it would be hard to guess in whose stable his horse spent the night.

Mr. Joseph Prochuski has led the season for potato planting, as he has already planted nearly four acres and intends sowing six more before long. Joe says he expects a very high price for Murphys this fall.

The many friends of Mrs. B. G. Sarvis will be pleased to learn that after a couple of weeks' illness she has almost entirely recuperated and able to be around.

Messrs. Phillips & McMorran took a jaunt to the Sask. river on Wednesday last, but think the water a trifle cold for bathing as yet.

Mr. Geo. A. Robson and Mrs. A. Krollier called on Miss Edith Insley in her mansion of knowledge last week for report all the scholars progressing most favorably.
